Thank You!

First Church of Christ,
Thank you so much for supporting my mission work this summer. I really appreciate it. With your help, the entire trip and airfare have been taken care of, which is amazing, Glory to God! I am anxiously awaiting all that this summer has in store. I am as excited as ever to go and share God's Word with not only local people, but missionaries from the States as well. Pura Vida has a slogan, "It's not an event, it's a life," and I can't wait to fulfill that expectation this summer and into the future. I will be eager to share the amazing experiences with you, and I will be sending out a letter in August recapping the summer. I will also be keeping a blog throughout the trip at: loveoutloudinternship.blogspot.com.

Thank you again for your support!
John Griffioen

National Day of Prayer May 5, 2011

On Thursday, May 5 millions of believers from across America will join together to celebrate our First Amendment freedoms to pray. For years, the National Day of Prayer has been a powerful reminder of our need to kneel before God's throne in the public square – regardless of cultural and denominational differences.

**Join us on May 5th at 12:00 p.m. at the
First Church of Christ
for a time of prayer with our community of believers.
A prayer guide will be provided.**
