### A MESSAGE FROM YOUR ELDERS, PREACHERS AND OFFICE STAFF REGARDING OUR PRAYER LIST:

Because our prayer list has grown to be so lengthy, the elders have decided that the names will remain on the prayer list for 3 months. At that time, the names will be removed. If you wish to have them put back on, please update the church office and we will be glad to place them back on the list. Also update us within the 3 month period of any changes.

Please remember we want to know of anyone who needs prayer or a visit from the preachers or the elders. But unless we are notified we can't do that. So call the church office if a friend, or family member is in the hospital, sick at home, or needs prayer. Each person on the list, is prayed for by our prayer team every week and all visits are made as soon as possible.

We also realize there are some people who are very ill, or don't wish to have company in the hospital, so unless we are asked we will respect their wishes and just keep them in prayer instead of visiting them, but we need to know your wishes. Please help us in this matter, as we want to be there for anyone who needs us in our church family.
